Frequently asked questions

Q: What kind of orientation, if any, do you provide?

A: The International Students Office offers an Orientation session which includes social activities and informational meetings. (Residence permit, medical coverage/care in France, academic information, etc.).

Q: What teaching methods are used?

A: Tutorials, lectures, workshops, seminars. Please consult the courses syllabus.

Q: What is the regular workload?

A: 30 ECTS is the regular (and maximum) workload per semester for EDHEC students, the minimum workload is 20 ECTS. We have no rules for visiting students concerning the number of courses or credits that must be taken. The home university decides what the requirements are for their students (unless it is a Double Degree seeking student in which case they take all courses in their study program, like regular EDHEC students). However, we strongly recommend a for Simple Exchange students workload of 30 ECTS.

Q: Can I change my course choice after the beginning of classes?

A: Once the Learning Agreement is approved by your home institution and signed, the **modification** of your course choice **is not allowed**. We strongly advise students to review carefully the syllabus of each course before choosing it, and to consult your coordinator before making a definite choice.

Q: Is class attendance mandatory?

A: Yes, class attendance is mandatory for exchange students, absences, early leaves are not allowed during the exchange period, and sick leaves should be justified by a medical report. Beyond 1 absence per 15h course or 2 absences per 30h course, the penalty shall be a 2-point deduction from the final grade, this rule being applicable to all courses. In certain cases, students may be refused permission to sit their final exams.

Attendance in classes is vital as it is not only the best interest of the student to attend classes regularly, but it also guarantees that groups function properly.
