

Mini Marathon and Slow Cycle Race

Asian Institute of Technology, January semester, 2013

Route map of Mini Marathon

Rules of Mini Marathon

1. We will provide a number for you and you must attach it on your T-shirt so that our volunteers can easily see it. **Candidates who do not display their number will be disqualified.**
2. **The Mini Marathon will start at 4.30 pm.**
3. Cheating attempts including track-bypassing, seeking help from others (especially bicyclists) and disturbing other candidates are considered as violation of game rules and such candidates are disqualified.
4. Our volunteer team will guide you during the event and if you need any clarification you can consult them. They will be in key junctions.

Rules of Slow Bicycle Race

1. Candidates should **ride their bicycle within the track**, which is marked on the road and failure to do this will result out of the game.
2. You are **not allowed to touch the ground.**
3. **Your bicycle should be in motion. If it's in static, you are disqualified.**
4. The winner is the one, who will **complete the path at last.**
5. Our volunteer team will guide you during the event and if you need any clarification you can consult them.
